Company Announcement

Albright's Raw Dog Food of Fort Wayne, IN is voluntarily recalling **67 cases of Chicken Recipe for Dogs** because it has the potential to be contaminated with *Salmonella*. *Salmonella* can affect animals eating the products and there is risk to humans from handling contaminated pet products, especially if they have not thoroughly washed their hands after having contact with the products or any surfaces exposed to these products.

Healthy people infected with *Salmonella* should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever. Rarely, *Salmonella* can result in more serious ailments, including arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Consumers exhibiting these signs after having contact with this product should contact their healthcare providers.

Pets with *Salmonella* infections may be lethargic and have diarrhea or bloody diarrhea, fever, and vomiting. Some pets will have only decreased appetite, fever and abdominal pain. Infected but otherwise healthy pets can be carriers and infect other animals or humans. If your pet has consumed the recalled product and has these symptoms, please contact your veterinarian.

Albright's Raw Dog Food Chicken Recipe for Dogs was distributed in **CA, FL, IL, IN, NH, NJ, NV, NY, PA, and TN** and product was distributed through retail stores, mail order, and direct delivery.

The product is labeled Albright's Raw Dog Food Chicken Recipe for Dogs and is packaged in 2 lbs chubs/rolls. Each chub/roll is printed with "Lot number C000185, Best By 19 May 2021." Product was sold frozen, and was distributed from the company to distributors from 7/8/20 to 8/27/20.

One animal illness has been reported. No human illnesses have been reported to date.

The problem bacteria was revealed after testing conducted by the FDA. The problem was confined to this batch and the company has ceased the distribution of the batch as FDA and the company continue their investigation as to what caused the problem.

Due to the frozen condition of the product, it is possible that retailers and end users may still have the product in their freezers. Consumers who have purchased Albright's Raw Dog Food Chicken Recipe for Dogs are urged to return it to the place of purchase for a full refund.

Consumers with questions may contact the company at 1-260-422-9440 Monday – Friday, 8 am – 4 pm, EST.
