Product Type:

Food & Beverages

Reason for Announcement:

Potential Salmonella contamination

Company Name:

TFP Nutrition

Brand Name:

HEB TEXAS PETS

Product Description:

HEB TEXAS PETS Indoor Complete Dry Cat Food

Company Announcement

TFP Nutrition announced today that it is issuing a voluntary recall of a dry cat food formulation manufactured on November 13, 2022, at its Nacogdoches, Texas facility. HEB Texas Pets Indoor Complete Dry Cat Food is being recalled due to potential *Salmonella*

contamination. *Salmonella* can affect animals eating the products and there is risk to humans from handling contaminated cat products, especially if they have not thoroughly washed their hands after having contact with the products or any surfaces exposed to these products. No cat or human illness has been reported with respect to the recalled cat food to date.

Cats with *Salmonella* infections may be lethargic and have diarrhea or bloody diarrhea, fever, and vomiting. Some cats will have only decreased appetite, fever and abdominal pain. Infected but otherwise healthy cats can be carriers and infect other animals or humans. If your cat has consumed the recalled product and has these symptoms, please contact your veterinarian.

Archived by Petful.com

Healthy people infected with *Salmonella* should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever. Rarely, *Salmonella* can result in more serious ailments, including arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Consumers exhibiting these signs after having contact with this product should contact their healthcare providers.

This product was only distributed in the State of Texas and sold in HEB retail stores. All recalled product has been removed from store shelves and no other HEB products are affected by the voluntary recall. Affected product will contain “MFG 13 NOV 22” on the second line of the lot code located on the back of the bag.

Description	Size	Production Code
H-E-B Texas Pets Indoor Complete Dry Cat Food	16 lb.	MFG 13 NOV 22

Cat owners who are unsure if the product they purchased is included in the recall, or would like a replacement product or refund, may contact TFP Nutrition via a toll-free call at 1-800-560-9197, Monday through Sunday, 8 am – 5pm CST. Consumers may also go to [tfpnutrition.com/recall](http://www.tfpnutrition.com/recall) (<http://www.tfpnutrition.com/recall>) [↗](http://www.fda.gov/about-fda/website-policies/website-disclaimer) (<http://www.fda.gov/about-fda/website-policies/website-disclaimer>) for more information.

At H-E-B[®], we know how much you love your cats and we love them too. Keeping your feline companion full and happy is our top priority with H-E-B[®] Texas Pets[®] Cat Food. You can trust that our quality ingredients offer 100% complete and balanced nutrition whether your cat lives one good life...or nine!

Choose from a wide variety of H-E-B[®] Texas Pets[®] flavor options to satisfy your cat's every craving.

CAT Feeding Directions

WEIGHT OF CAT	CUPS PER DAY*
5 - 9 LBS	1/2 - 3/4
10-14 LBS	3/4 - 1 1/4

*Feeder to be measured up
twice approximately 4 oz of food.

The amount of food required each day will vary by activity level, temperament, and climate, and should be adjusted accordingly to maintain ideal weight.

FEEDING SCHEDULE: Start your kitten on H-E-B[®] Texas Pets[®] Indoor Complete Cat Food as early as they begin to nibble on solid foods (usually 3 to 8 weeks). Keep moistened food available to kittens at all times. After weaning at 8-8 weeks of age, kittens will normally eat dry or moistened food as well. If water is added, use no more than one-part water (part food) equal to three parts food, changing frequently to ensure freshness. Feeding amounts should be adjusted to maintain ideal weight.

RESTRAINT & LACTATION: Consumption will vary; therefore, feed the amount required to maintain good body condition. It may be necessary to have available at all times.

LONG-TERM FEED: No need to add anything for taste or nutrition.

WATER: Provide your cat with plenty of fresh water in a clean container daily.

For your pet's health, use your veterinarian regularly. Remember to thoroughly wash your hands after handling your pet's food or feeding utensils. Store in a cool, dry place protected from rodents and insects.

FOR HUMAN ALLERGEN CONCERNS, THIS PRODUCT CONTAINS SOY.
